MEMORANDUM FOR: Acting Chairman, National Intelligence Council

FROM: John J. Bird
National Intelligence Officer for Warning

SUBJECT: TDY Approval to Participate in Council on Foreign Relations

1. Request approval to travel to New York City on five dates between 19 November 1987 and 15 March 1988 to participate in a study group on "Conventional Defense and Arms Control in Europe." The study group will be chaired by Robert Blackwill, a lecturer at Harvard University's Kennedy School of Government and former US Ambassador to the MBFR negotiations in Vienna.

2. The invitation for me to participate is contained in the attached letter. This very relevant topic will be discussed in a series of six meetings, which will begin at 4:15 p.m. and continue through dinner until 8:15 p.m. Schedule conflicts precluded my attending the first meeting on 22 October, but I will be available for the remaining scheduled sessions as follows: 19 November, 14 December, 12 January, 9 February, and 15 March.

3. Little-to-no per diem will be associated with these TDYs; costs should be restricted to round-trip air travel and local ground transportation.
